

KSWA Team Membership Process for KY USAW 2013-2014 Season

MS and Youth Coaches,

Have your coaches go online http://www.themat.com/section.php?section_id=7

Begin the registration process. They will be re-directed to fill out a background check, and will need to make sure in stage 2 they choose **KY Wrestling Assoc.** They will not be charged \$\$\$. They will receive an email saying they passed the background check and can continue to finish their registration.

If you are going to pay membership for your coaches, let me know when they have received the email that they passed their BG check and to finish their registration. I will finish their registration process for you. Send me their registration forms with your check for each coach (\$50), or they can complete their registration online for the same price.

To receive the kid's Folkstyle **League Cards**, You can register each of them online now, and also download their cards at the time of purchase. There is no other charge for online purchase. You can also send me their registration forms with a check for \$15 each and I will register each of them and send you Folkstyle league cards for each paid participant to give to each registered kid.

Note: If you do not have an active USAW Club Charter for your team, your team members registering online will not be able to register under your team name. Charter your club ASAP.

Use "**Track Wrestling**" to complete your "team roster" for all on your team. This must be started under the "Dual Meet" tab on the main menu on left side of page. Register as administrator for either Middle School or Youth Folkstyle or both individually. This is for all who have or will be receiving any USAW card. This includes all full competitor card holders on your team.

Under the "**wrestler info box**" if receiving a Folkstyle league or you already have a full competitor card, you need to fill in their USAW card #.

Once completed, print roster, send all the team registration forms and completed document to me. I will use this to confirm each wrestler is on the roster and individual registration form with the track wrestling roster.

Coaches Cards:

1. You need to register and complete your background check online first.
2. Make sure you choose KY WRESTLING ASSOC in step two so you are not charged the \$17.00 fee. If you are charged, let Keith or I know and we will get your credit card refunded.
3. Once you complete the background check and get an email saying you "passed", you may complete the card registration online or send the completed registration form to Keith.

Kids Cards:

1. For all team members getting the \$15.00 KY League Card.
2. Keith will send you Folkstyle league cards for each paid wrestler.
3. **Please, make sure you actually have the kids and parent sign the waiver portion of the card and keep them in your files. Also sign the second page of the competitor/coaches registration form and send to Keith.**
4. The competitor/coaches registration form is what actually insures them.

Remember, our goal is to have all the Coaches, kids, and Clubs insured through USA by December 1st 2013.

Thanks for your support,
