

What Coaches Are Saying.....

“The Beef O’Brady’s has some of the toughest competition around. The round robin format allows all of my wrestlers to get plenty of matches”

Derek Strobel Lexington HS

“Great tournament! Very organized and well ran. The laid back atmosphere, along with tough wrestling make it a great weekend that I look forward to every season” -

Eddie Cook South Pointe HS

“I have come to greatly appreciate quality over quantity. Too often, wrestlers are eliminated and spend the weekend watching . With this format, each kid is as much about wrestling as the next.” Chris Brock Fort Mill HS

Great opportunity for quality mat time and to see where our guys are at that point in the season.. Multiple matches combined with tough competition pushes our guys to get better. Jack Kosmicki Eastside HS

THE TOURNAMENT

Unique Format

The Beef O' Brady's Tournament is one the most competitive in the south-east, offering top competition in a unique format. The tournament runs on a round robin, pool system where each wrestler is guaranteed 3-7 matches. The top two wrestlers from each pool advance into an 8 man double elimination bracket on Saturday. Any open spots/byes in the pools are filled with "house" wrestlers from the various teams based on a lottery system.
